## Esclarecimentos

Para o bem da verdade, esclarecemos que esta apostila foi distribuída em um Curso Básico Escoteiro realizado no Campo Escola do Jaraguá, na década de 1990.

Por ser fruto de cópia da cópia sua qualidade não era muito boa. Procuramos melhorar o que foi possível, mas o fato é que mereceria ser totalmente redesenhada.

Mas, como tem excelentes idéias para atividades de pioneirias, tanto do ramo Escoteiro como do ramo Sênior, reproduzimos no site [www.lisbrasil.com](http://www.lisbrasil.com) para servir de inspiração para boas atividades escoteiras.
